2010 MFC MEMBERSHIP

It is great to see the Demon Family rally round and make the commitment to join up so early as a member for 2010. The membership at end of December 2009 was the highest ever and it is a very encouraging sign that the Club is now headed in the right direction and has the support of supporters near and far.

Also the Western Demon renewals and new members at the end of December 2009 numbered 357 and that is a great result from our members here in Western Australia.

If you are yet to join up – PLEASE DO SO in the next few weeks.

We ask that you **please include your email address** on your Renewal Form to MFC – I use this information as a speedy means of sending Newsletters, etc.
